SHAVING SOAP

Net Weight: 4oz/113gr in a jar

For all skin types

Usage: Shave soap to be used with a shaving brush.

Directions: For a traditional wet-shave, always shave during or after a warm shower. Wet a shaving brush with warm water and whisk it over the surface of the soap. Bring to lather in its shaving jar using a circular motion. To generate a fuller and thicker lather, simply add more warm water to the brush.

Storage: Keep jar lid closed when not in use.

Ingredients: Water, Hydrogenated Butyrospermum Parkii (Shea Butter), Persea Gratissima (Avocado) Oil, Indica Seed Garcinia (Kokum) Butter, Theobroma Cacao (Cocoa) Seed Butter, Mangifera Indica (Mango) Seed Butter, Stearic Acid, Potassium Hydroxide, Sodium Lactate, Sodium Hydroxide, Orbicular Oleifera (Babassu) Seed Oil, Fragrance, Glycerin, Kaolin,

Price: Afl. 30

code# 02973016

For a more traditional wet-shave experience, the Yoncuman Collection Shaving Soap generates a rich and foamy lather that helps protect the skin from irritation by improving razor glide.
